

CALIFORNIA JPIA WORKSHOP DESCRIPTION

This workshop develops driver awareness and improves habits, attention, attitude, and judgment. Topics partially satisfy Cal-OSHA mandated Injury and Illness Prevention Program requirements for employees holding California Class C drivers' licenses. The workshop is not intended to fulfill the training requirements for operators of specialized equipment or vehicles.

THE FOLLOWING TOPICS WILL BE COVERED

DRIVING HABITS

- How everyday driving situations are handled

DRIVER INATTENTION

- Thinking about other things rather than thinking about driving

ATTITUDE AND PERSONALITY

- Human element and emotion

FREEWAY DRIVING

- Proper use of the freeway

CITY VEHICLE USE

- Being in the public eye

ACCIDENTS

- How to use the California JPIA accident kit

WHO SHOULD ATTEND

All employees

PRESENTED BY

Steve Damewood, Damewood Consulting Group

Steve Damewood is an independent consultant for both private and public agencies. He has more than 30 years of experience in occupational safety and health. He has served as a safety manager with a local oil refinery and a large construction company. Steve is a designated expert witness in both civil and workers' compensation courts, a Registered Safety Administrator, and has a Certificate in Occupational Safety and Health from Orange Coast College and Personnel Management from UC Irvine.

Thursday, July 17, 2008

1:00 PM - 4:00 PM

**Location: Chino Hills - Public Facilities Operations Department
15091 La Palma Drive**

Space in this workshop is limited! Please register online at www.cjpia.org by 7/3/2008. Your website reservation will serve as confirmation. Due to the large number of registrants, we are unable to confirm via telephone. There is no charge for CALIFORNIA JPIA members to attend.
